## Tennis Update

After many, many successful years of service at the Solihull Arden Club our Tennis Chairman Paul Stanley has stepped down.

We would like to thank Paul for all of the valuable work he has done for the club over these years, his dedication to Tennis and Padel throughout his time as Tennis Chairman is reflected in the strength of these disciplines at our club.

We are now creating a tennis sub-committee which will reflect a complete cross section of members from team and social participants, these volunteers will now support the Tennis section moving forward. This operational model has been successfully running for Padel for over 12 months here at the Solihull Arden Club with great success.

## General Update

Bar Prices – Due to the ongoing increases with suppliers we are unfortunately having to increase our prices slightly in the bar, this will commence from the 1<sup>st</sup> September 2024. We have kept the increases to an absolute minimum and absorbed much of the costs at club level.

We thank you all for your ongoing support.
