

Future Plans and Information

The Solihull Arden Club has now got a complete set of Architect drawings to explore the 'potential' development of the Solihull Arden Club which includes Site Security, Sauna & Steam Room Logistics, Increased Car Parking, Additional Padel Court, Tennis Court Re-surfacing, Orangery and options to further develop under-utilized areas.

These visuals and details will be shared with our members in the reception on display boards for everyone to see and feedback later this week. We are also hosting an open evening for members to come in and ask questions regarding any of the plans, this will be held on

Tuesday 26th November at 7.00pm in the function room/studio

If you are unable to attend this open session you can send any questions you may have regarding the 'proposed' plans to sac.admin@solihullarden.co.uk and we will endeavor to respond back as soon as we can.

We are happy to share that we have finished a few recent projects including

New carpet and Acoustic Panels in the Bar Area

New LED Flood Lighting on Tennis Courts 4-7

3 Padel Court Re-Surfaced

We have also started with the uplifting of the Ladies Changing Rooms, we will be carrying on with this project over the coming weeks to provide a fresh new look and feel to this area.

Social Events

We have been raising money for Prostate Cancer this year via our various social events and we can confirm we have raised a massive

£2334.50 so far!

Thank you to everyone on the Social Committee that has organised these amazing events this year and to all the members who supported the fantastic functions throughout the year.
